Enrolment Pathway

**First Contact:**  
When first contact is made between yourself and the school. You are invited to attending any upcoming Open Mornings/Info Nights and speak with the principal regarding your child's schooling needs. We will arrange a tour for you and your family to visit the school and get a feel for our learning environments.

**Pre Enrolment:**  
You will need to fill out the Pre-Enrolment Form, this indicates that you would like to enrol and are progressing with your intention to enrol at our school. The Pre-Enrolment Form assists us to keep in touch with you and in our forward planning for class sizes, facilities and teaching appointments. This is the initial form in the intake process, a full enrolment form is required prior to the child's attendance to ensure we have all the required information. We warmly invite you to attend our school community functions and become part of our extended community so that your family can stay in touch with our school's development.

**Pathway To Prep or Enrolment Trial:**  
In this step your child is experiencing the school setting, this helps you and the school to determine if we are a good fit for your child's needs. To participate in either the Pathway to Prep Program or an Enrolment Trial you will need to complete The Full Enrolment Form and Enrolment Agreement, and a \$50 administration fee needs to be paid.

**Acceptance of Enrolment:**  
You will need to attend a final enrolment meeting with leadership and the classroom teacher to get the schools official acceptance of your application for Enrolment. Based on your child's attendance in the Pathway To Prep Program or Enrolment Trial, we will discuss your child's academic and wellbeing needs. Once this is completed you will receive an Enrolment Letter Of Acceptance.

**Complete required Paperwork:**  
In this final step you will need to provide documentation such as birth certificate etc. A \$50 booklist fee needs to be paid so that the school can equip your child with the stationary needed for them to begin. Tt this stage your application for enrolment at the Dharma School is finalised.
